# UNFORGETTABLE WEDDINGS

## ARE MADE AT THE CONNAUGHT

At the heart of one of London's most revered hotels, The Connaught hosts events which are decidedly different to those elsewhere in London.

Beautiful, individual rooms and exquisite food and drink are just the start. From spectacular dinners for 10 to a romantic wedding reception for 200, we know that a truly memorable wedding is about the small, personal touches. We draw on our years of experience in providing intuitive service and paying close attention to the little details, to take what you imagine and make it a reality.

## A MARRIAGE MADE IN MAYFAIR

From our peaceful corner in red-brick, Mayfair Village, we have nurtured relationships with neighbouring luxury boutiques and artisans. Fine stationers, dressmakers, florists, tailors and jewellers are all just a few steps away and can be called on to help craft a truly inimitable event. For those getting married in a religious ceremony, Farm Street Church and Grosvenor Chapel are just around the corner.

*"Our wedding day was everything we could have dreamed of and more – and The Connaught made that happen for us."*

# ALL IN THE DETAIL

On your special day, every detail has to be perfect. From the place settings to the service, the bridal bouquet to the wedding breakfast, we take care of all the little details so you can relax and relish the moment.

It all begins with a conversation. Our dedicated wedding coordinator will get to know you, your tastes and vision. Lavish or intimate? Light and bright or candlelit? We will discuss all your wishes – however small or outlandish – then seek out ways to exceed them.

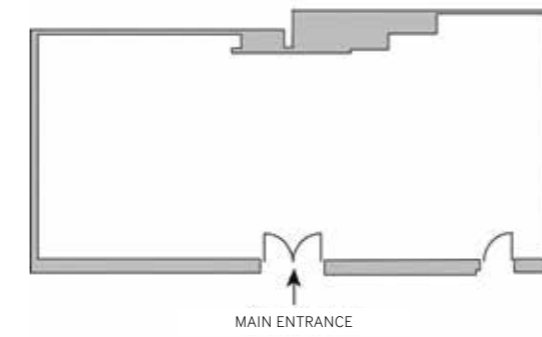

## A SPACE TO SUIT
